## The Caribbeans

CCM presents the first DISCOVER Entrepreneur Joscelyn “Benji” Benjamin of Benji’s Premium Watercress Natural Juice. Benji created his tasty, popular drink because growing up in Jamaica he experienced the rejuvenating power of watercress. He calls it the original super food. Nice one! Benji seeks distribution for his product in the USA, Canada, and the UK. For more information please contact [Discover@CariComMag.com](mailto:Discover@CariComMag.com).
